

# Chaplain Support Characteristics

Chaplains deliver a trained professional response to suicidal behavior and suicide prevention training at all commands.

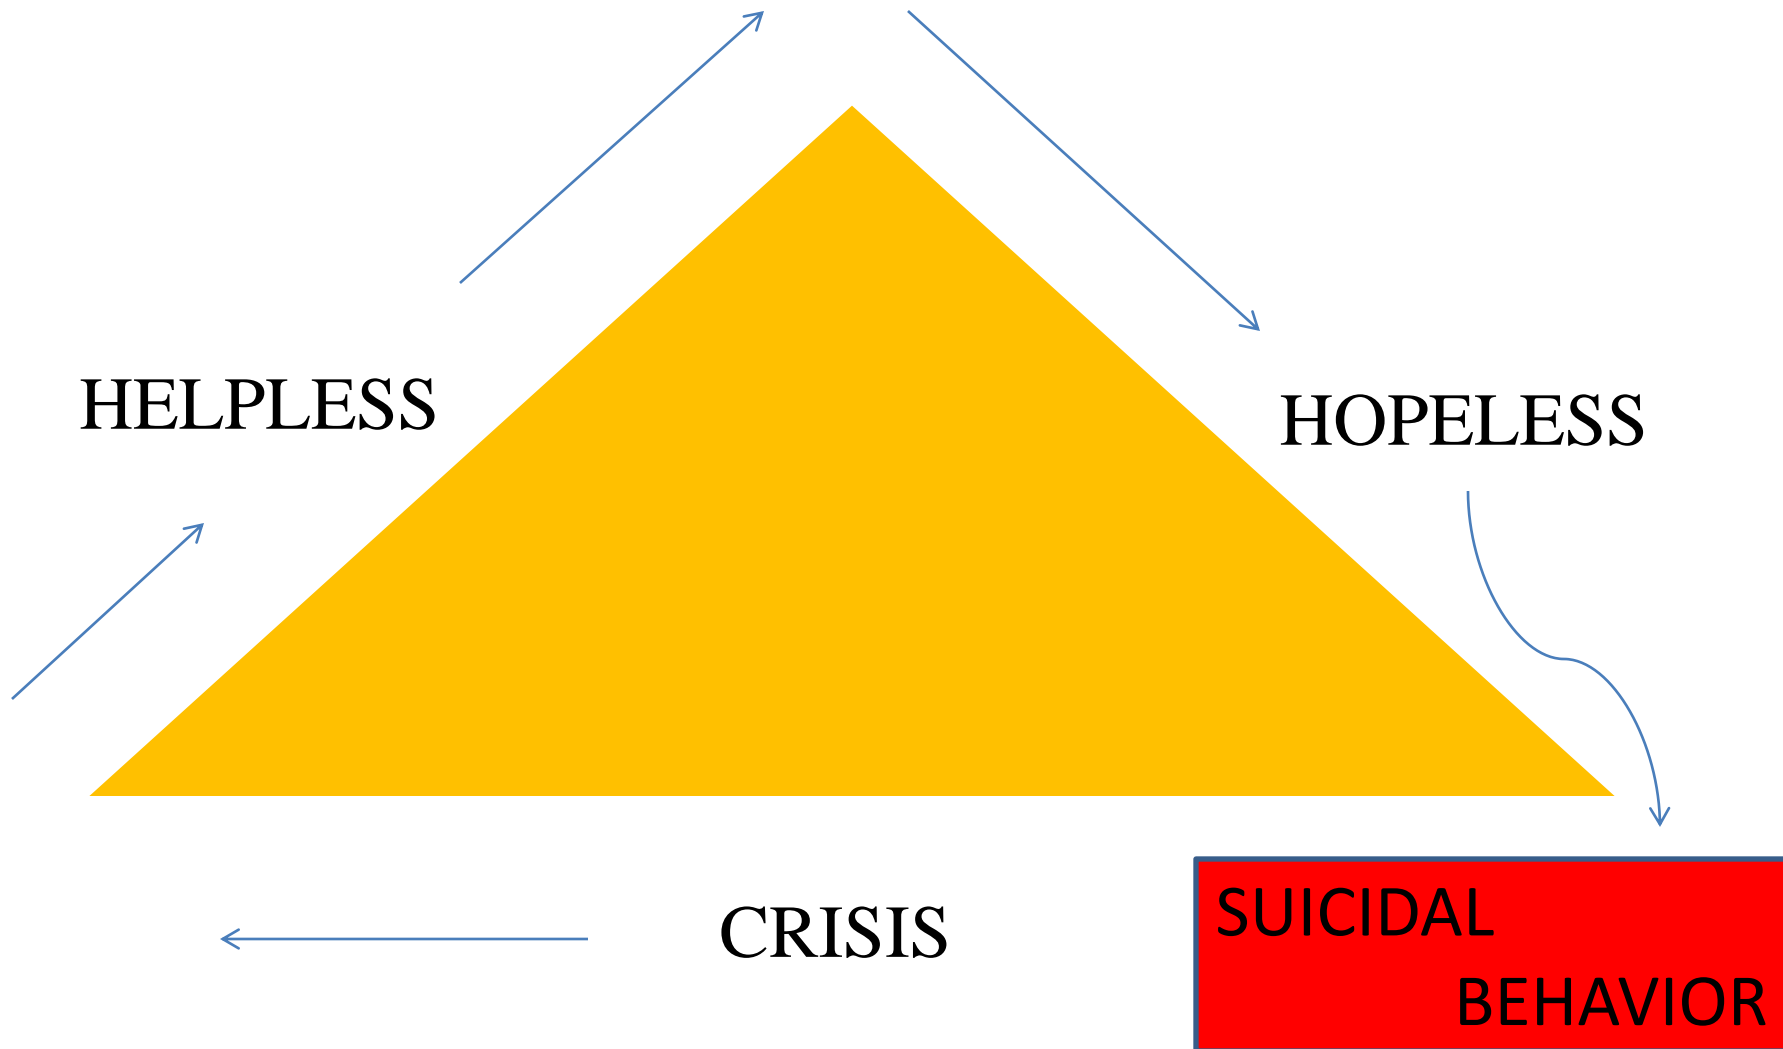

# **New Standardized Prevention Effort**

- **GMT: we bring trust, education, experience, and authority to the subject matter.**
- **GMT Plus: a standardized resource including material on character development, ethical decision-making, moral courage and sanctity of life.**

# **Unit Leadership**

- **Human Situational Awareness (HSA)**
- **Human understanding is the most effective weapon against suicide. The greatest need is to deepen the awareness and sensitivity of people to their fellow human beings.**

# SUICIDE TRIANGLE

# **Unit Leadership**

**ASK TWO QUESTIONS BEFORE TURNING IN FOR  
THE DAY.**

**IS THE SUICIDE TRIANGLE  
CLOSING FOR SOMEONE  
YOU KNOW?**

# **Unit Leadership**

**The second question?**

**WITH THE KNOWLEDGE YOU HAVE  
CAN YOU SLEEP PEACEFULLY  
TONIGHT?**
